The following disclaimer is intended to inform users of the limitations and usage guidelines of the KNavigate AI Tool. Please read this disclaimer carefully before engaging with the KNavigate AI Tool.

The KNavigate AI Tool is an automated system powered by Kalisa AI. It is designed to provide information and assistance based on KN's curated know-how. Kingsley Napley LLP strive to provide accurate information through the KNavigate AI Tool, however Kingsley Napley LLP cannot guarantee the accuracy, completeness, or up-to-date nature of the information provided. Kingsley Napley LLP recommends users take the outputs generated as a starting point and verify the information in the linked public documentation sources – or speak to the expert team using the subscription offering.

Users are advised to not submit any information that may be considered confidential information, particularly that relating to clients. Users are also advised not to submit any personal data into the tool.

Users of the KNavigate AI Tool bear sole responsibility for their interactions and reliance on the information provided. It is important for users to exercise caution and use discretion while interpreting and acting upon the KNavigate AI Tool responses. Kingsley Napley LLP cannot be held liable for any actions, losses, or damages resulting from the use of the KNavigate AI Tool.

Kingsley Napley LLP prioritise the privacy and security of all users' information. Users should be aware that KNavigate AI Tool conversations may be reviewed by Kingsley Napley LLP to improve results and this data may be used to train the KNavigate AI Tool.

By using the KNavigate AI Tool, you indicate your acceptance and understanding of the above disclaimer. If you do not agree with any part of this disclaimer, Kingsley Napley LLP recommend users do not use the KNavigate AI Tool. For further assistance or inquiries, please contact Kingsley Napley LLP at knavigate@kingsleynapley.co.uk.
