2. **Prevention of money laundering and combating the financing of terrorism guidance for remote and non-remote casinos - July 2013**

We have made some minor updates to this existing guidance for licensed casino operators. The updates reflect changes to the Serious and Organised Crime Agency's website and the way they operate their SARs and consent regimes. References to the relevant provisions of The Terrorism Act have been made more direct. The amendments do not make any material changes to the guidance which has been approved by HM Treasury.

3. **Premises licence database – July 2013**

The premises licence database is an extract of gambling premises licences that have been varied or granted by local licensing authorities in the Great Britain. The extract is made publicly available on our website at the beginning of each month.

This has now been published for July 2013.
